

**Fire Education Committee**  
**Monthly meeting Napa**  
**August 28, 2006**

Co-chair present: Rick Carpenter, Contra Costa County Fire Protection District

Fire Ed committee met with the Fire Investigations Committee co-chairs and discussed moving forward with classes relating to Investigations. Since 921 seemed to be a concern we agreed to begin looking for availability of instructors. As soon as instructors are confirmed I will then be arranging the time and locations.

The committee would like to thank Matt Rubin with Contra Costa Fire who has volunteered to assist.

With the high demand for classes we still are looking for instructors willing to teach. There are a number of topics in need of instructors. If you are willing to instruct or know of someone willing to instruct please contact myself or Danielle Stephanie.

Thank you in advance for your continued support.

Richard Carpenter, Co-chair  
Fire Service Committee
