Discussion Items: New member recruitment
Rochester Code Development Hearing
T19/Fire Code Merger

New member recruitment

Mid month meeting always on the second Thursday of the month at San Ramon FPD in conjunction with the Building Standards Committee

Draft recruitment letter passed around, comments regarding this draft should be back to Dan by the next mid-month meeting.

Current committee members to select names from the Fire Code interest list to contact to attend the meetings.

Brief discussion as to the committee meeting makeup

Rochester Code Development Hearing

F33 High Piled Storage, Bill reported what he had found out from the Colorado Fire Marshals, who are the proponents of this item. Bill to communicate with the proponent our support, will speak to this in Rochester.

F11, F12 Dan reported that Washington Fire Marshals will not be following up on these disapproved items.

T19/ Fire Code Merger

Rocque re-described what we intend to accomplish with the merger.

Discussion with Kevin from the SFM regarding the need to set up a meeting with the State Fire Marshal before the Buellton workshop.

Discussion regarding the end product the committee hopes to work toward.

Roque shared a draft version of the adoption table the merged document would have

Roundtable discussion

Everyone is invited to the midmonth meeting, see you in San Ramon
