

**California Fire Chiefs
Northern Division
Fire Prevention Officers Section**

**Joint Meeting: Building Standards, Hazardous Materials
Fire Code Committees**

May 20, 2005
South Lake Tahoe

Members Present:

Paul Easter	Modesto Fire Dept.
Paul Inouye	Milpitas Fire Dept.
Scott McMillan	Alameda County Fire

The following topics were discussed at our monthly meeting:

Budget

1. The budgets for the committees were approved by the Board. The budget includes attending the 2005 International Code Council Annual Conference.

Committee Coordination

2. Paul Inouye reported on the review the Hazardous Material Committee had made on hydrogen fueling.

SFM Code Proposals

3. The State Fire Marshal has made proposals for revising Title 19, adopting NFPA 25, 2002, and an Urban Wildland Interface Code. The committee discussed these proposals.
The proposals are available at <http://osfm.fire.ca.gov/sfmfirecagov.html>
If you have any comments for these proposals, please provide them to Scott Alber or Scott McMillan.

ICC Codes

4. Public comments for the ICC Codes are due by June 16, 2005. The Final Action Hearings are scheduled for September 28 through October 2, 2005. Registration for the Conference is required to vote on the proposals.
5. The meeting was adjourned.

Respectfully Submitted,

Scott McMillan, Co-chair, Fire Code Committee
