Hazardous Material Committee
NORCAL Monthly Meeting
June 22, 2007
Fairfield

Members Present:

Kent Miller	Stockton Fire Department
Larry Monette	Boykin Consulting Services
Ron Keefer	Menlo Park Fire District
Paul Inouye	Milpitas Fire Department

The meeting took place during lunch.

Setting a meeting with Southern Hazardous material representatives concerning items that need to be addressed before the next ICC conference. The items include:

1. LOX use and storage in Residential Care Facilities. The problems associated with LOX concerning fire related events. Review the Section 4006, Liquid Oxygen in Home Health Care document with comments.
2. Need for Hydrogen regulations. Review F156-06/07, Part I and Part II proposed changes to 2009.5.1, fire code submittal by Patrick Serfass (Hydrogen Association). Discussion centered on Hydrogen fueling pads!
3. Other items needed for discussion is Knox-boxes for HMBP (ICC code change).

The committee is still discussing the dates for a mid-month and a South FPO Hazardous Material Committee meeting. When the dates are set, they will be passed on to the NorCal web site.

Ron Keefer and Kent Miller will coordinate a meeting the South FPO Hazardous Material Committee.

Respectfully Submitted,

Kent Miller
Co-Chair Hazardous Material Committee

Paul Inouye
Co-Chair Hazardous Material Committee
