

Questions for Candidates seeking FPO endorsement –

Please prepare a summary statement of your position on the following issues. Include or reference any supportive data you were instrumental in formulating in support of, or opposition to, the respective issues.

1. What do you see as the California Fire Chief's role in the national fire and building code development?
2. What do you see as the most significant issues relating to the code interpretation and enforcement in California?
3. What role do you feel private industry should play in the code development and implementation process?
4. What are your views on the balance of cost impact versus safety related to building practices and model code development?
5. As a code official, how would you effectively represent the fire service?
6. What is your position on adopting residential sprinkler requirements in the International Residential Code for one and two family dwellings.
7. Are there any other organizations or individuals that you have or are seeking endorsements from?

Please send completed questionnaire to: Scott Alber in Northern California, or, Doug Dupree in Southern California; Their Contact Information is shown on the respective Executive Board Pages.
